Staff volunteers needed!!

As some of you may know, one of our colleagues, Darren Baglietto, has sadly been given a palliative diagnosis and has put his final wishes in the hands of Havens Hospice. Havens promote a Pay for the Day challenge to raise £6,000 to help provide their amazing service. Darren has decided to take on this challenge and we have chosen to do a fundraising car wash to help him!

Please see the details on the poster. We need as many staff as possible to volunteer to help on the day! This has taken some planning and getting through a lot of red tape so we need to be mindful of safety and efficiency on the day. Please give Ricky Walker or Sian Carney your name to add to the list of volunteers and we will send out the plans for the day. Roles will include manning the traffic on the road, directing cars to follow the route set out, washing of the cars etc.

Spread the word to your friends and family! We are also looking into getting some donations from companies to offer refreshments for purchase on the day. If anyone has any local contacts please let us know!
