

# ~~It's just banter~~ It's bullying

Banter at another person's expense  
is not funny, it is harassment.

If you are being bullied or harassed, we want you to **Speak Up**;

If you see other people being bullied or harassed we want you to **Speak Out** against it;

If you are bullying or harassing others, to put it simply we want you to **Stop It**.

More details on [Need to Know](#).
